SELECTION PROCEDURE
“4- Norway”

The Dean of the Faculty of Arts of the University of West Bohemia in Pilsen (hereinafter referred to as the “Announcer”) announces the opening of a selection procedure for academic workers for the following positions:

**Academic Worker**

**Research focus of the expert team:** “Socialization, memory, the role of the city/state, homeless

Description of the expert research – to be supplied by the mentor.

The aim of the stay is to advance the work on two topics (1) the role and impact of socialization in the process of transferring intergenerational religious memory, (2) the role of the city / state in integrating homeless people back into society. The visiting senior will consult their colleagues on the theoretical and methodological approaches to the study of selected areas, especially with the emphasis on socialization issues, the role of the state and memory.

**Description of the work position:**
Selected researchers will strengthen an existing top-quality research team of the Pål Veiden. Their main tasks will be to engage in the activities of the team and to fulfill tasks specified by the R&D activity plan. Their own scientific work will include participation in major conferences and organization of the professional life at the workplace (seminars, conferences).

**Qualification Requirements:**
- a properly completed Master's Degree Programme as well as Ph.D. student status at university or higher education institution in the Czech Republic eventually properly completed Doctoral Study Programme or properly completed similar Study Programme abroad recognized in accordance with Act No. 111/1998 Coll., on Higher Education Institutions and on the Amendment and Supplementation of Other Acts (Higher Education Act), as amended, with the study completion date before 1. 1. 2012,
- publishing activities - in the last 5 years: at least 3 publication outputs,
- participation in at least one international grant or national grant over the last 5 years as a researcher or co-researcher; these do not include internal grants of a research organization,
- good knowledge of English (at least at the CAE level or its equivalent),
- experience with research on the research topic of the specialist team.
The position can only be filled by an Applicant working at a minimum of 0.5 workload over a period of up to 6 months. 
Salary proposed: 144 000 CZK (gross monthly wage; workload 1.0 – 40 hours/week) 
Place of work: Oslo 
Expected commencement of work: 1st March 2019

Required Form of the Applicant's Application:
- structured curriculum vitae, 
- relevant supporting documents proving the Applicant's activity outside the territory of the Czech Republic to the extent corresponding to the qualification requirements, 
- a copy of the documents proving achieved education (Ph.D. diploma or its equivalent), 
- copies of documents proving the achieved level of the English language (CAE level or its equivalent), 
- full bibliographic data of articles published in impacted journals (please provide, in particular, articles relating to the orientation of the working position, including the impact factor of the journal at the time of their publication), 
- complete bibliographic data of works published in proceedings of significant (referred to in WoS or SCOPUS) international conferences relating to the focus of the activity at the listed position, 
- overview of research teams (especially international) with whom the Applicant has worked so far, including the projects in which the Applicant was involved, 
- overview of collaboration with the application sphere and achieved application outputs.

Note: The reference date for values of impact factors and inclusion of a work in proceedings and/or relevant databases is: 10th January 2019.
